Hiring Manager
Dubai, UAE

Dear Hiring Manager,

I am writing to express my interest in the Administrative Officer/Office Admin position at your esteemed organization in Dubai. With over 5 years of professional experience supporting cross-functional teams, managing internal operations, and coordinating office activities, I bring a unique blend of technical understanding and strong administrative capability.

While my background is rooted in IT and project management, my day-to-day work has consistently involved administrative responsibilities such as documentation, team support, scheduling, logistics coordination, and internal communication. I am adept at using Microsoft Office, managing digital records, preparing reports, and handling multi-department correspondence—skills I am confident will contribute to the smooth operation of your office.

In addition to my administrative strengths, I offer adaptability, discretion, and a commitment to excellence. I am currently based in Ethiopia but open to immediate relocation to Dubai and available for in-person or remote interviews at your convenience.

Thank you for considering my application. I would welcome the opportunity to contribute to your team and support your organization's success. Please find my CV attached for your review.

Warm regards,
Kibrom .A
